\* In the 2022 Budget, the Self-Insured Medical costs were included in the Interdepartmental budget in the General Fund. In the 2023 Budget, to provide greater transparency and for consistency with the Annual Comprehensive Financial Report, it is budgeted in the Self-Insurance Fund. For purposes of this budget comparison, the 2022 Medical costs budget has been moved down to the Self-Insurance Fund.

^ In the 2022 Budget, the Capital Projects were included in the 'Operating Transfers to Other Funds' budget in the General Fund. In the 2023 Budget, to provide greater transparency and to eliminate budget duplications, Property Tax Revenue is now being allocated directly to the Capital Fund for Capital Projects.
