## Teens

### *The Belles*

by Dhonielle Clayton

In a world where beauty is a commodity only a few control, beautiful Camellia learns the dark secrets behind her powers and is asked to choose between saving herself or changing her world forever

### *The Marrow Thieves*

by Cherie Dimaline

In a world where most people have lost the ability to dream, a fifteen-year-old Indigenous boy who is still able to dream struggles for survival against an army of "recruiters" who seek to steal his marrow.

### *Dry*

by Neal Shusterman

When a longtime drought in California escalates to catastrophic levels, turning her once-quiet suburban street into a warzone of desperation, a teen is forced to make life and death decisions to protect her family.

### *Brave new girl*

by Rachel Vincent

When a clone realizes that she is having forbidden feelings for a clone boy who finds her special, Dahlia 16 worries that her genome will be found flawed and that she and her identicals will be destroyed.

### *Internment*

by Samira Ahmed

Forced into an internment camp for Muslim-American citizens in a near-future United States, 17-year-old Layla Amin helps forge an alliance of new friends and outside sympathizers before becoming the leader of a revolution against the camp's corrupt guards.

### *Rabbit & Robot*

by Andrew Smith

Sent to stay on his father's moon-orbiting lunar-cruise ship, Cager is horrified when a war-torn Earth burns to ash before his eyes, trapping him on the ship with a cadre of insane robot cannibals.
