

# PIKES PEAK LIBRARY DISTRICT FOUNDATION

# On a Solid Foundation

The Pikes Peak Library District Foundation exists to provide for the Library's current and long-term needs by raising funds from individuals, businesses, charitable foundations, and government agencies.

The Foundation helps individuals establish a personal legacy to the Library through annual giving and bequests to programs, capital projects, and the Library's endowment. Programs and projects funded have been selected by Pikes Peak Library District.

**Champions of the 1905 Carnegie Garden project receive a gift from the Broadmoor Garden Club, at right.**

**You can make your gift online! Visit [ppld.org/foundation](http://ppld.org/foundation) for information on this and other giving options, including bequests, gifts of property, and in-kind support opportunities.**
