

Ready? Set. Read!

Level A: Pre-emergent recommended booklist

Books at this level are for brand new readers. These books contain large print, only a few words per page, and very little punctuation. They have short, simple stories written about familiar topics and contain plenty of pictures. There is a wide range within this level, so some will be easier and others more difficult.

Armstrong, Jennifer	<u>The Snowball</u>
Baker, Keith	<u>Sometimes</u>
