

## Ready? Set. Read!

### Level B: Emergent recommended booklist

Books at this level will have more text than the pre-emergent level, more complex sentence structure and more punctuation. The text is less dependent on the pictures but still features larger print and plenty of white space. There is a wide range within this level, so some will be easier and others more difficult.

Arnold, Tedd	<u>There Was an Old Lady Who Swallowed a Fly Guy</u>
Bunting, Eve	<u>My Robot</u>
Cooper, Wade	<u>Polar Animals</u>
DePaola, Tomie	<u>T-rex is Missing!</u>
